(M7A) Sun.	Test 1pm - 5pm
Tue.	Review 4:30pm - 6:30pm
Thu.	Session 4:30pm - 6:30pm

core

If you're new or relatively new to the SAT, this class will prepare you for the Verbal and Math sections. You will learn the basics of test-taking and what the SAT expects from you. This is our most popular course. Students take eight (8) full-length SAT tests and attend 24 sessions. Tests will be given approximately every other week.

## sat focus

(M6A) Sat.	Verbal/Math 10am - 1pm
(M7B) Sun.	Verbal/Math 10am - 1pm

focus

SAT Focus classes provide a more in-depth focus on Critical Reading, Verbal, and Math for students who desire in-depth long-term preparation. Tests will be given every four (4) weeks. Students need to arrive 30 minutes early on test days. The class meets once (1x) a week for one year.

## sat propel

(M6B) Sat.	Test 10am - 2pm Break 2pm - 2:30pm Review 2:30pm - 5:30pm
------------	---

propel

Our SAT Propel class is designed for students who have already covered the basic concepts of the SAT (material from SAT Core and SAT Focus). Within intensive eight-hour sessions, students will take a full-length SAT, followed by three hours of test review. This class has proven effective at increasing students' test scores.

## sat omnia

(M5C) Fri.	Test 4pm - 8pm
Sat.	1pm - 5pm
Sun.	1pm - 5pm

omnia

The SAT Omnia Prep Course was designed to do one thing--give students everything they need to excel on the SAT in an intensive class. SAT Omnia, as the name implies, includes all of the elements of our other SAT Prep classes--the foundation (verbal reasoning, writing, and math) of the TestMagic SAT Core prep class (see description of SAT Core below for more information) and the practice test + review of our SAT Propel class.

Students attend twenty-nine (29) classes and take twelve (12) full-length SAT tests, three (3) of which are "night-before" tests.

## ascend 1

Ascend 1 (M3A) Wed.

4:30-6:30pm

ascend

Ascend students complete and write an essay on a work of literature every week. In addition, students will learn the basic test-taking skills of Verbal sections of the SAT and PSAT. These enrichment classes are designed to help students understand works of literature taught at a high school level and enhance their verbal skills beyond the test-taking world.

Ascend 1 is recommended for 6th to 8th graders.

## essencia 1 & 2

Essencia 1 (M6D) Sat.

1pm - 3:45pm

Essencia 2 (M6C) Sat.

10am - 1pm

essencia

Essencia is designed for high school students whose goals are both to improve their critical thinking and math skills and to get ahead on their SAT prep. Essencia focuses more on the deeper ideas of great literature and prepares students for the tricky math that lies ahead on the SAT. How do we do this? By using works of literature from such authors as Mark Twain and Herman Melville and adapting them to SAT exercises. Essencia is a perfect blend of TestMagic Ascend classes and SAT-prep classes.

Essencia 1: 6-8th grade; Essencia 2: for 9-10th grade

## homework tutoring

homework

Not doing as well as you want in school? Got the hard math teacher this year? Join our Homework Tutoring program. Come to TestMagic after school and work on your homework in a group of other students. Students who complete their homework early receive book assignments from our teachers. When you have a question, the instructor will help you.

## winter propel

(MWP) Sat.

Test 10am - 2pm

Break 2pm - 2:30pm

Review 2:30pm - 5:30pm

winter propel

Welcome winter with SAT spirit. Our Winter Propel class is designed for students who have already covered the basic concepts of the SAT (material from SAT Core and SAT Focus). Within intensive eight-hour sessions, students will take a full-length SAT, followed by three hours of test review. This class has proven effective at increasing students' test scores.

**Note:** Letter and number combinations in parentheses indicate the class code.

We encourage all new students to take a free diagnostic test before the start of classes. The scores from the diagnostic test help determine the students' strengths and weaknesses. Subsequent practice tests will be given every six weeks or by appointment.

Homework tutoring "make-up" classes must be completed within the same week of the student's absence. No make-up classes will be given after the semester is over.
